

2021

IHA PAC ANNUAL REPORT

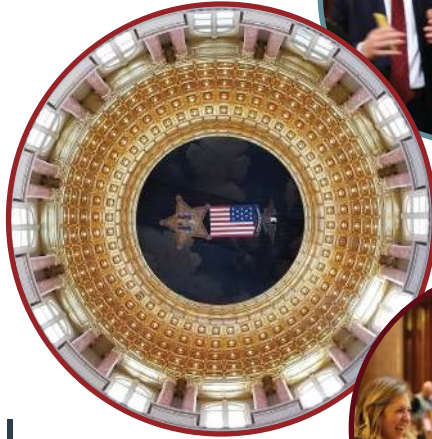

IOWA HOSPITAL ASSOCIATION

IHA★PAC

POLITICAL ACTION COMMITTEE

2021 IHA PAC ANNUAL REPORT

Your Voice at the Capitol

The IHA PAC is the political action committee (PAC) of the Iowa Hospital Association (IHA). The committee was started in 1990 to promote and facilitate voluntary contributions from IHA members to support candidates for elective office. The IHA PAC is a state PAC. Monies raised through the IHA PAC are used to support elected officials and state candidates who listen to the perspectives of Iowa hospitals and champion IHA's public policy priorities concerning hospitals and the delivery of high-quality health care. The IHA PAC is also a collecting agent for the American Hospital Association (AHA) federal PAC that supports the election of candidates for federal offices. The IHA PAC is nonpartisan and supports members, elected officials and candidates despite party affiliation.

The PAC enables IHA to fully engage on public policy issues to protect the interests of Iowa hospitals and health systems and create critical relationships with legislative leaders.

A robust PAC ensures that your voice is heard.

A MESSAGE FROM THE 2021 IHA PAC CHAIR

We start 2022 with optimism that a return to normal business is just down the road and meeting in person with our hospital colleagues and our policymakers won't be the challenge that it's been. 2021 did bring hope and healing with vaccines and treatments for COVID-19.

Despite the challenges we saw and experienced last year, IHA PAC contributions grew modestly compared to 2020. A big thank you goes to the IHA PAC Committee for their time and energy spent in outreach to their peers.

The 2021 Legislative Session was unique and challenging, yet most importantly it was very successful. Multiple legislative priorities for IHA members advanced. The success of IHA's advocacy relies on three critical components: grassroots advocacy and the IHA PAC are two of them. Thank you to members who helped with these hospital priorities last year:

- Emergency medical services funding.
- Funding for behavioral health services.
- Payment parity for mental health services delivered by telehealth.
- Permanent changes to hospital trustee elections.
- Preserving Iowa's certificate-of-need program.
- Workforce recruitment and retention funding.

Following on the heels of these legislative successes, we will have an even greater focus on building our PAC funds in 2022 so Iowa hospitals and health systems are well-positioned with legislative leadership and candidates. A strong and vibrant PAC is essential to bring attention and action to our issues.

I'm optimistic about the year ahead and encouraged to see alignment with the governor's office on the key hospital issues of workforce and tort reform. Here's to another successful legislative session. Thank you for supporting the IHA PAC and being part of our advocacy!

Sincerely,

Kevin Kincaid

Chair, 2021 IHA PAC Committee

CEO

Knoxville Hospital and Clinics, Knoxville

IHA POLITICAL ACTION CAMPAIGN COMMITTEE

The IHA PAC Committee sets and approves the annual statewide PAC goal and individual hospital goals. Committee members provide input and feedback to help raise funds from members and, in consultation with the IHA legislative team, the committee also approves PAC disbursements.

The IHA PAC Committee is composed of IHA member hospital and health system CEOs. IHA's five geographic districts are represented by their respective residing district chairs. Four at-large committee members are appointed by the Executive Committee, which is comprised of the immediate past IHA board chair who chairs the PAC Committee, the vice chair of the IHA board, and the IHA president and CEO. The current IHA board chair is an ex-officio member of the committee. Committee members serve one-year terms and meet by conference call throughout the year.

We thank the 2021 IHA PAC Committee for their support and leadership.

PAC RECEIPTS AND DISBURSEMENTS

IHA/AHA INDIVIDUAL PAC AWARDS

IHA and AHA value the advocacy work that hospital leaders and their staffs do every day on behalf of their patients and communities. We recognize these efforts through the annual Most Valuable PAC Player and Grassroots Champion awards. Winners for both awards are recognized by AHA and IHA at their respective annual membership meetings.

The AHA PAC Most Valuable Player Award is given to those who understand the value and need for a robust PAC and assume a leadership role in developing and delivering a strong PAC campaign from their organization.

The Grassroots Champion Award recognizes a health care leader for their active involvement in and support of IHA's advocacy efforts.

IHA STAFF CAMPAIGN

IHA staff raised \$21,475 in its 2021 campaign. It is the most money ever raised by an organization's campaign since the PAC started in 1990. This is the sixth time the IHA was the top contributor to IHA PAC.

IHA PAC CHAIRMAN'S AWARDS

As the cost of political campaigns increases, it is important to create an equitable structure that generates enough funds for the IHA PAC to make meaningful contributions to campaigns. Hospital goals are based on hospital expenses and evaluated periodically.

These 19 IHA members are recognized and commended for their successful hospital campaigns. Understanding the need for a well-funded PAC and the financial commitment that individuals working in these organizations have made to support that are recognized with the IHA PAC Chairman's Awards.

PLATINUM (exceeded their goal by 100%)

Franklin General Hospital, Hampton - \$2,250

ChildServe, Johnston - \$1,650

Pocahontas Community Hospital, Pocahontas - \$1,375

SILVER (exceeded their goal by 50%)

IHA LOBBYISTS

IHA's lobbyists are the third critical component of our advocacy efforts. IHA's advocacy team meets with state lawmakers, executive branch staff and Iowa's congressional delegation day in and day out to educate them about Iowa hospitals andd IHA's legislative priorities. The advocacy team works with partner organizations and grassroots advocates to amplify the voices of hospital advocates to achieve IHA's goals.
